Native Plants and Seeds

From

THE PACIFIC NORTHWEST

TO OUR CUSTOMERS AND FRIENDS:

We welcome this opportunity to thank you for the encouragement you have given us to continue our search for new and valuable native perennials here in the Pacific Northwest. This year we are able to offer you a number of plants and seeds which we believe have never before been listed for sale. All plants are grown and tested in our nursery before being listed for distribution.

We make a special effort to keep our nomenclature botanically correst and up to date. We guarantee all seed to be strictly fresh and all plants to be strong and healthy when they leave us. We cannot, however, guarantee your success in growing the plants or in germinating the seed since there are many causes of failure over which we have no control. We are glad to supply planting instructions with any plants

or seeds which require special culture.

INSTRUCTIONS FOR ORDERING:
Kindly send remittance with your order. Postal money orders, checks or bank drafts accepted. Plant orders amounting to \$3.00 or more are sent postpaid. A delivery charge of 25 cents is made on orders amounting to less than \$3.00. All seeds are sent postpaid. All goods are carefully packed, the cost of which service is included in the prices quoted herein. We do not substitute unless you send a list of alternates. If we cannot supply your needs your money is refunded. Order early. Some items are available only in small quantities and may soon be exhausted. FOREIGN ORDERS:

We welcome foreign orders for both plants and seeds. However, no foreign orders will be recognized unless accompanied by remittance in full. Only International money orders will be accepted as payment.

NATIVE PERENNIALS, ALPINES AND ROCK PLANTS

Plants marked with asterisk (*) are rare.	
Aconitum columbianum (Monkshood)	\$0.35
*Aconitum Howellii Stems vining, fl. blue	.50
Actaea arguta (Baneberry) Berries red; shade	.25
*Anemone Drummondii, A true alpine; fl. white	.75
Anemone occidentalis (Pasque Flower) white	.50
Antennaria rosea Fl. rose-colored; showy	.35
Arabis Lyallii A true alpine; fl. pink	.50
Arenaria capillaris, var. formosa. Fl. white	.35
*Asarum Hartweggi (Ginger)	.50
Aster pulchellus A true alpine; fl. lavender	.25
Athyrium alpestre, var. americanum Dainty	1.50
Berberis Aquifolium (Oregon Grape) fl. yellow	.75
Berberis repens Low evergreen, very hardy	.75
*Bolandra oregana Fl. bronze and green; quaint	1.00
*Botrychium silaifolium (Grape Fern)	.50
Caltha biflora (Cow-slip) Fl. white	.35
Caltha leptosepala Fl. white; marsh plant	50
Campanula rotundifolia (Harebell) Fl. blue	.25
Campanula Scouleri Fl. pale blue	.25
Cassiope Mertensiana (White Heather)	1.50
Castilleja oreopola With host plant; red	1.50
Ceanothus peduncularis Fl blue	1.50
Ceanothus prostratus (Squaw-mat) Fl. blue	.50
*Cephalanthera Austinae (Phantom Orchid)	
Cheilanthes gracillima (Lace Fern) Dainty	.50
Chimaphila umbellata, var. occidentalis	1.00

Cimicifuga elata (Bug-bane) Fl. white	
	.35
*Cimicufuga laciniata Fl. white; plant 6 ft	.75
*Cladothamus pyrolaeflorus (Copper-bush)	3.00
*Claudinamus pyrolaenorus *Copper-bush/	1.50
*Clematis columbiana Fl. lavender-blue	
Coptus laciniata (Gold-thread)	.35
Cynoglossum grande (Hound's Tongue) Blue	.50
*Dicentra glauca Fl. white tinged with rose	.50
Dodecatheon dentatum Fl. white; shade	.35
Dodecatheon Jeffreyi, var. viviparum, pink	.35
	.50
Dodecatheon pauciflorum (Shooting Star)Pink	
Dodecatheon poeticum New species; fl. pink	.50
Dodecatheon telandrum Fl. pink; petals four	.50
*Erigeron Howellii Foliage glossy; fl. white	.50
*Exiceren executes El nink: choice	.75
*Erigeron oreganus Fl. pink; choice	
Erigeron salsuginosus (Mountain Daisy)	.25
Erigeron speciosus Fl. lavender; showy	.25
Eriogonum hercaloides Fl. creamy-vellow	50
Eriogonum tomentesum True alpine; fl. yellow Eriogonum umbellatum Fl. sulphur-yellow	1.50
Evices were troubelle town III culphur vollow	.35
Eriogonum umpenatum Fl. Sulphul-yenow	.00
Eriophyllum lanatum (Oregon Sunshine)	.25
Erysimum capi atum Fl. orange; stems 18 in	.25
*Euonymus occidentalis (Spindle-bush)	1.50
Gaillardia aris ata Fl. yellow and red	.25
Gallarda arisata Fi. yellow and red	
Gaultheria ovalifolia (Aromatic Wintergreen)	.50
Gentiana calycosa Fl. blue; showy	.50
Gentiana sceptrum Fl. blue: stem 18 in	.50
Geranium incism Fl nink likes semi-shade	.50
*Geranium oreganum. (Oregon Geranium)	.50
Gilia pulchella (Scarlet Gilia) very showy	.25
*Gormania Watsoni (Sedum Watsoni)	.50
Heuchera chlorantha Fl. greenish, tall spikes	.35
Heuchera glabella Fl. creamy, spikes slender	.35
Heuchera glabra Fl. white in lacy sprays	.25
Trucheta giabia 11. Willie ili lacy sprays	
Heuchera micrantna Fl. white in lacy sprays.	.25
Heuchera ovalifolia Dwarf; fl. white	.35
Heuchera micrantha Heuchera ovalifolia *Heuchera racemosa (Elmera racemosa) white	1.00
*Hedysarium occidentale Fl. rose to purple Hydastylus californicus Fl. yellow	.50
The doctal age of life and one Till and life	
Tria Douglaciana III lavandan blue an murala	.25
Iris Douglasiana Fl. lavender, blue or purple	.25 .50
Iris Douglasiana Fl. lavender, blue or purple *Iris innominata New species; yellow, dwarf	.25 .50 1.50
Iris Douglasiana Fl. lavender, blue or purple *Iris innominata New species; yellow, dwarf Iris missouriensis Fl. blue; plant tall	.25 .50
Iris Douglasiana Fl. lavender, blue or purple *Iris innominata New species; yellow, dwarf Iris missouriensis Fl. blue; plant tall	.25 .50 1.50 .50
